## REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

What an exciting time for Ware Shoals Primary School!

We are thrilled to be recognized as a South Carolina Palmetto Gold school for outstanding academic achievement. The commitment in tailoring instruction to meet the needs of every child has played a large role in our success. Although we celebrate the honor, we continually seek ways to improve our instruction and provide the optimal learning experience for the children in our community.

Yearlong professional development on Curriculum Mapping has enabled our faculty to begin to align content and ensure standards are taught at the proper cognitive levels. Our State's adoption of Common Core Standards appears to have an increase in rigor and we expect our students to respond positively to the higher expectations. We continually strive to instill strong character in every child as evidenced by our PBIS initiative. It is critical to celebrate positive student behavior and foster a climate of mutual respect for each other as this will prepare our students for life outside of education. We are truly fortunate to have the support from students, parents, and our community allowing us to fulfill our district motto, "Learning, Serving, and Leading".
